### Response Sheet

As a graduate of Walpole High School, I am interested in sharing my talents with students of Walpole High School. I would be interested in participating in the following:

- |   |   |
|---|---|
| <input type="checkbox"/> Mentoring Program          | Working with individual and groups of students, whether college bound, entering the military, or the job market, to develop skills for success including being a role model and job shadowing |
| <input type="checkbox"/> Speaker Program            | Sharing my life and work experiences with students  |
| <input type="checkbox"/> Practice Interview Program | Helping to prepare students for interviews with colleges and universities as well as preparing students for college life (credit card use, social issues, etc.)                               |
| <input type="checkbox"/> Service Projects           | Working with the school administration to identify certain projects that will enhance the learning environment at Walpole High School   |
| <input type="checkbox"/> Fundraising                | Working with the school administration and community coordinators to raise funds where necessary to supplement the school's operating budget  |
| <input type="checkbox"/> Reunion Coordination       | Working with graduates of my class to facilitate class reunions, which may include dinner dances, etc.  |
